WHAT WE DO

Digital Marketing

We help you to establish online marketing strategies to achieve your business goals.

Content Creation

Expect fresh and compelling ways to deliver a message, evoke emotions, and inspire action from our contents.

Graphic Support

From creating your entire brand identity to printing collaterals, we offer full range of graphic design services.

Performance Ads

These ads are data-driven, highly targeted, and optimized for measurable results and ROI. Such as lead generation, sales, or app installs.

About Us

TGR Metal Engineering Sdn. Bhd. was established in March 2016 by three seasoned engineers. As a fresh and dynamic player in the market, we aim to revolutionize the metal fabrication industry with cost-efficient, high-quality products. Our mission is to be a value-added partner to our customers, delivering world-class, end-to-end solutions that emphasize quality, cost-effectiveness, and reliability. Our production facility, located in Bukit Indah Sungai Buloh, spans approximately 35,000 square feet and is capable of processing up to 100 tons of metal sheets annually. Our team consists of 20 full-time staff, including 17 experienced
